### **THE POSITION**

This is skilled lifeguarding work of more than average difficulty at municipal beaches.

An employee in this class is responsible for the supervision of swimming and related recreational activities at municipal beaches and the prompt performance of emergency lifesaving and first aid tasks as occasions require. Recruitment is on the basis of possession of swimming skills and ability to perform water rescue and first aid activities. Specific assignments are made by a supervisor who checks to see that lifeguards are alert at all times and that assigned tasks are performed according to instructions. The employee works under general supervision and exercises reasonable initiative and independent judgment.

### **THE REQUIREMENTS**

1. Possess a minimum of six (6) months paid work experience in lifeguarding, or have completed a 40-hour minimum lifeguard training program with an organization certified by the United States Lifesaving Association.
2. Possess a currently valid American Red Cross Lifeguard Certificate or equivalent, or be able to obtain one within 60 days from date of appointment.
3. Possess a currently valid American in Heart Association BLS/C.P.R. card or equivalent at time of appointment.
4. Possess a currently valid Florida Department of Transportation First Responder Medical Certification or equivalent or Emergency Medical Technician Certification, or be able to obtain First Responder Medical Certification within six (6) months from date of appointment.
5. Must be able to successfully pass a performance test, which includes both simulated pool and ocean rescues prior to appointment. This test must be successfully passed every six (6) months after employment.
6. All required certifications and licenses, whether possessed at time of application or obtained after appointment, must be current and valid while employed in a position in this class.
